Dear Karim,

Thank you so very much for your sponsorship Frontlines' Annual Dinner centerpieces and flowers. They were so beautiful! They were so much more than we could have imagined. They took the event to a new level!

It was a great new experience for us to be able to hold our dinner at the Weston Golf and Country Club and host an event that was fully sponsored. This sponsorship meant that guests' gifts went directly to Frontlines—every penny to impacting the lives of children and youth!

Sponsorship of such events means that Frontlines is able to build greater sustainability by developing impacting relationships with our existing and potential donors. I know that our guests were impressed by your generosity. We hope that you will experience the benefits of sponsorship for your organization as you invest in your community.

Amazing things are happening at Frontlines each day, lives are being transformed and hearts are being opened up by hope. Thank you for being a part of the miracle that is happening at Frontlines.

With great affection,

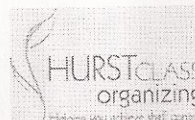

Kristy Opoku
Executive Director
